CERTIFICATE OF WARRANTY
SUPPLY AND INSTALLATION OF AUXILIARY SYSTEM
Duress Alarm System (Panic Button)

Certificate Register No.: IVG-COW-03-2026-001-A

ONE DOCUMENT CORPORATION

IVG warrants the completion of work involving supply and installation, termination, testing and commissioning of all the Auxiliary System: **Duress Alarm System (Panic Button)**” with the project location address at Julius K. Quiambao Medical and Wellness Center, Bayambang, Pangasinan.

This system shall be free from detects of material and workmanship within 1 year period under the Purchase Order No. **PO2024-0051-IVG v1** (dated: **July 15, 2024**).

During the warranty period, any additional materials and consumables shall be supplied, installed, tested, and commissioned by IVG only.

IVG will replace the parts so determined by it to be defective with the new parts.

This warranty is exclusive, and there are no other warranties or representations, expressed or implied.

This warranty does not apply to equipment & devices which, after our inspection, are determined to have been damaged due to neglect, abuse, accident, or improper usage of the end-user.

Signed this 4th of March 2026.
